Best possible outcome achieved

Alba Moda GmbH is not involved in debtor-in-possession insolvency proceedings. However, efforts have been made in recent months to find a buyer for the well-known brand as the company is controlled by K - Mail Order GmbH & Co. KG and, consequently, key functions such as logistics, HR and IT have been handled by the KLiNGEL Group. Alba Moda has been part of the KLiNGEL Group since 2016 and operates in Germany, Austria and Switzerland. Its style is characterised by modern elegance reflected in everything from classically feminine to stylish sporty looks in its collections for each season.

PLUTA restructuring expert Mr Marcus Katholing, acting as KLiNGEL managing director, said, "The sale of the individual brands is proceeding, which is very positive. We are still currently in discussions with regard to the other brands." His colleague Mr Stefan Warmuth, who led the negotiations, added, "The talks with GOLDNER were very constructive. We have achieved the best possible outcome
