Real estate project developer INTERBODEN seeks investor

22 February 2024 · Düsseldorf · Business Area: Insolvency Administration

The INTERBODEN Group has launched the process of finding an investor. The family-run real estate project developer based in Ratingen has been involved in insolvency proceedings with several companies since early February, a process aimed at achieving the sustainable realignment of the group as a whole.

INTERBODEN GmbH & Co. KG filed an application for the opening of debtor-in-possession insolvency proceedings in early February 2024. The Local Court of Düsseldorf then appointed attorney Dr Uwe Paul from PLUTA Rechtsanwalts GmbH as provisional insolvency monitor. He is overseeing the proceedings in the interests of the creditors. Debtor-in-possession proceedings are in-court restructuring proceedings to rescue and rehabilitate financially distressed companies. Management remains in charge and guides the company through the proceedings itself, in this case with support from the restructuring experts at law firm ATN Rechtsanwälte.

The court also ordered provisional insolvency administration for subsidiaries INTERBODEN Lebenswelten GmbH & Co. KG and INTERBODEN Gewerbewelten GmbH & Co. KG at the same time. The local court appointed PLUTA attorney Dr Uwe Paul as provisional insolvency administrator for both companies.

Press Release

The INTERBODEN Group as a whole is continuing to operate without restrictions despite the application for insolvency having been filed. The wages and salaries of the 70 or so employees of the insolvent companies are guaranteed for a period of three months thanks to specific substitute benefits provided under German insolvency law.

Since the application was filed, Dr Uwe Paul has been working with his team, which includes attorney Mr Oliver Westkamp, to gain a comprehensive overview of the group's overall situation. "All stakeholders are cooperating constructively, which is very positive. We are now working with great urgency on a solution for INTERBODEN. The aim is to find an investor for the group as a whole. The real estate developer has a good reputation in the industry," said the PLUTA attorney.

The persons responsible will hold discussions with the first interested parties over the coming days within the framework of the M&A process that is now ongoing. All offers will then be thoroughly reviewed.
